## WHAT *WE DO*

The European languages are members of the same family.

Their separate existence is a myth. For science, music, sport, etc, Europe uses the same vocabulary.

The languages only differ in their grammar, their pronunciation and their most common words. Everyone realizes why a new common language would be desirable: one could refuse to pay expensive translators. To achieve this, it would be necessary to have uniform grammar.

**WE PROVIDE YOU BEST SERVICE**  
**WE CARE & REPAIR**

## SOME OF OUR SERVICE

### TOOTH DECAY

The European languages are members of the same family. Their separate existence is a myth. For science, music, sport, etc, Europe.
