

First of all: thank you for your purchase in my shop on Creative Market. There is one small step left to get started...

Before opening your templates you'll need the proper fonts. The fonts used in this template are separately downloadable. You can access them by clicking the buttons below. A new window will pop up, where you can download the fonts.

DOWNLOAD PALANQUIN FONT

DOWNLOAD PRATA FONT

Because of license restrictions it's not allowed to include images in the download. However, if you'd like to use the previewed images you're welcome to do so by visiting www.unsplash.com. Unsplash is a website which offers free, high quality photo's. You may use the photo's for any project: commercial and non-commercial projects.

If you are happy with your purchase, it would be much appreciated if you could recommend this product on Creative Market. Simply go to the page where you bought the template and click the 'thumbs-up button' to recommend. As a 'thank you' I'll send you a link in your Creative Market inbox to download two exclusive Instagram Stories for free!

If you have any further questions feel free to ask. I'm happy to help! A big thank you and I hope you have fun designing.
