

Thank you for purchasing!

You can download free fonts we were using **here** and **here**.

You can download the image collection used for this product **here**.

To learn how to use the product, please visit our YouTube channel **here**.

Please note, images are free to use and have CC0 licence, but due to the shop's rules, we are not allowed to include them in the product.

That is why we have created collections and you can use them from there.

There is also a YouTube video showing you how **on our channel**.
