Deliverable file 'Azure_Trifold_PSD.zip' contain:

1. **_psd** - Four source files in Adobe Photoshop Document with single page each. Editable format in CMYK color mode compatible with Adobe Photoshop CS4 or higher.
2. **Azure_Logo.ai** - Source file in Adobe Illustrator Artwork 23.0. Editable document compatible with Adobe Illustrator CC 2019.
3. **Azure_Logo.eps** - Save format for transferring image data across different vector graphic editing applications and operating systems. Compatible with Adobe CS4 or higher.
4. **HelpFile.pdf**

File Preparation:

To create a print-ready PDF at its optimal setting, we recommend you to pre-flight your PDF using the **Adobe PDF/X-4** preset. Save the file as PDF from within Photoshop instead of exporting it. However, you need to ask your printing agency regarding their default setting.

Read more about presets - <http://blogs.adobe.com/contentcorner/2017/04/19/optimal-settings-to-create-print-ready-pdfs/>

Thank you for shopping at my store. Please consider to rate my design. Just few seconds but it will greatly helpful for my future buyers to quickly see the quality of my products. Rate now by following this link <https://creativemarket.com/account/purchases>
