How to use action ?

FIRST STEP

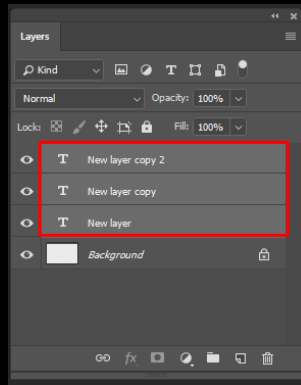

Double click on the action file (Action called “Foil Balloon Text Effect Photoshop Action”) from “Foil Balloon Text Effect” folder and it installed in your Photoshop. Open the action window... will be (Window > Actions)

SECOND STEP

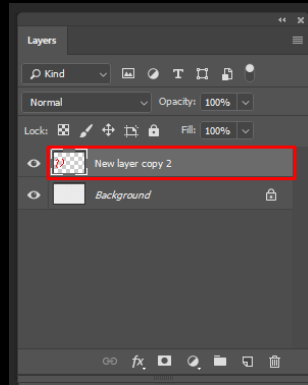

Create a new document (3000x2000)px, make a new layer, select the new layer and write your text or place your shape. If you use multiple shape or text & if the layer is more than 1, please select the multiple layer by press “shift” from keyboard (without background layer) and merge them by press “alt+E” from keyboard. And now just click the play button. Easy as that.

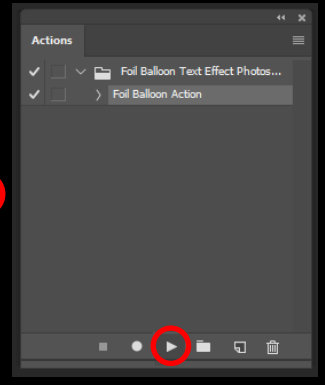

Create a new layer ,
Write your text or
place your shape And
select the new layer.

If you use multiple text
or multiple shape,select
the multiple layer by press
“shift” from key board.

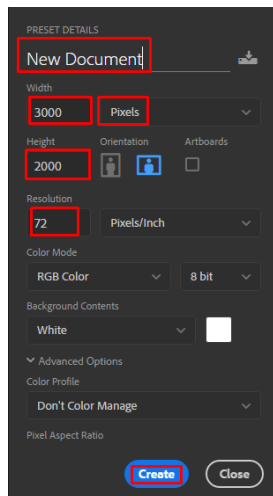

Then press “alt + e” from
keyboard.

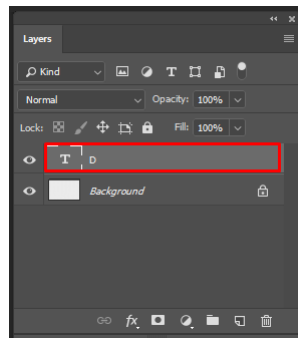

Now just click the play button

For the best result,it is recommended to create a new document
of (3000x2000)px -72ppi.
