ANDREW SKOCH DESIGN

3D Photoshop Action with settable colors

Hello! Thank you so much for purchase!

[Please rate this item here](#)

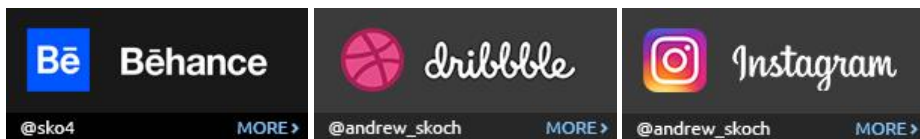

My name is Andrew Skoch. I'm graphic designer and [GRAPHICRIVER AUTHOR](#)

I tried to make super easy to use actions.

If you need any help please feel free to contact me through the contact form on [MY PAGE](#) or via email: andrewsko490@gmail.com

I will be happy for your comments and any feedback. It's always cool to see how my actions and mockups are used. So feel free to contact and show me your work.

Let's become friends!

It's very easy to use this action:

1. Install action into your Photoshop:

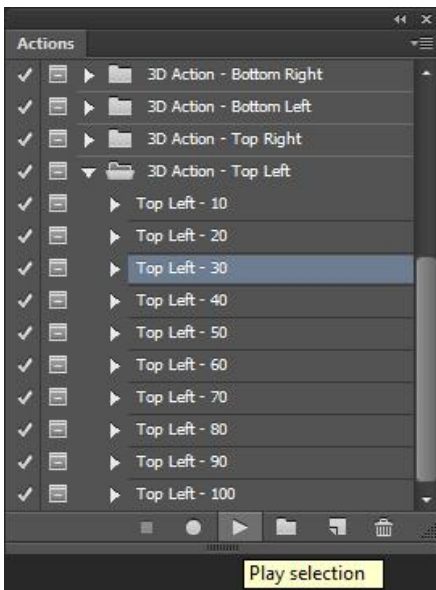

Simply double-click one of [atn files](#)

2. Create new file in Photoshop

3. Create your shape or text

Text layer | Vector shape | Pixel layer | Smart object | Folder group

4. Go to the actions palette

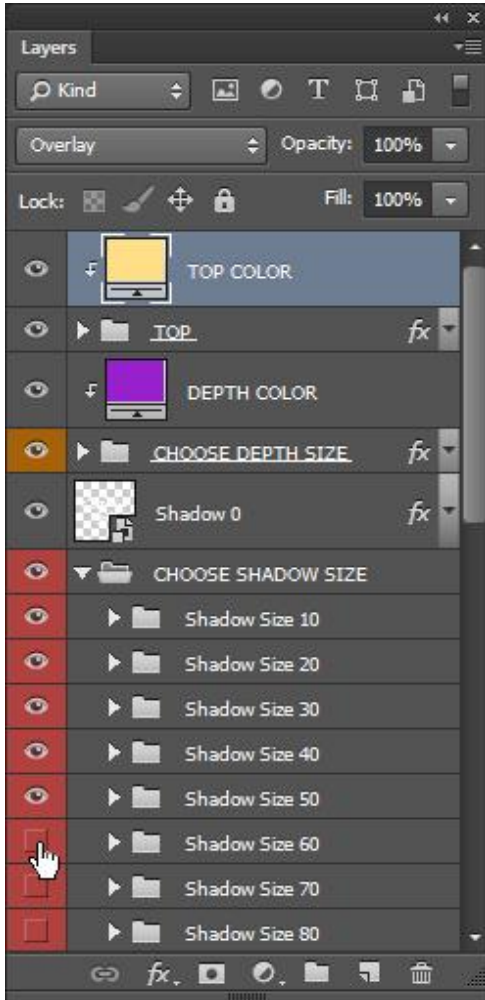

If the actions palette is not visible, go to “Window”, then click “Actions” in the dropdown.

Find “3d_text_[by Sko4]” action in action palette.

Choose one of 4 directions

Choose one of 10 depth sizes

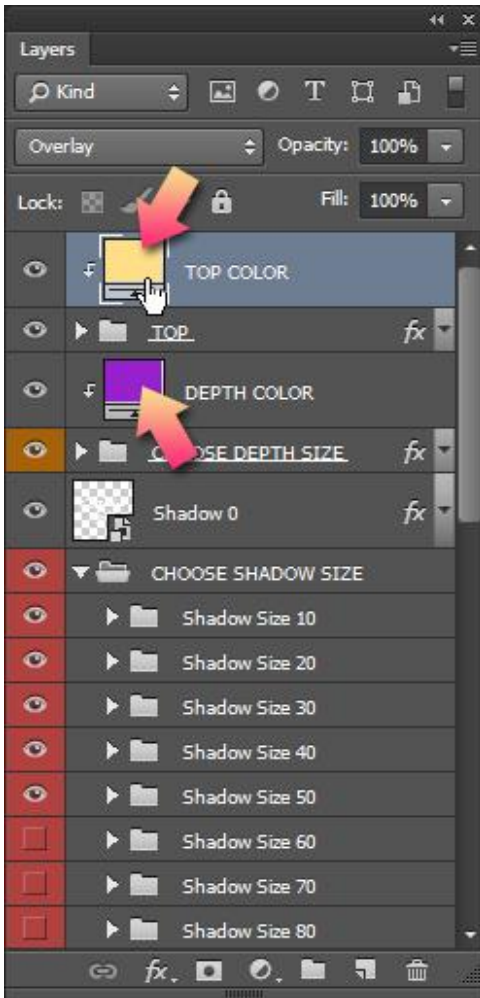

5. Click the 'Play' button and wait for the action to complete
6. Now you can customize the result:

You can choose shadow size.

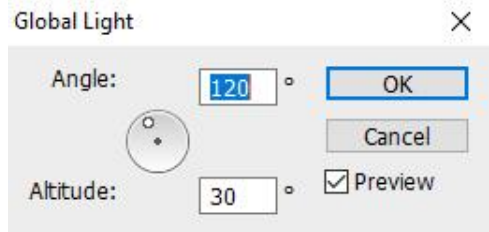

Just disable necessary groups of layers in “CHOOSE SHADOW SIZE” folder

You can set your own colors.

Double click on 'TOP COLOR' layer thumbnail and choose new color.

Double click on 'DEPTH COLOR' layer thumbnail and choose new color.

You can choose light and shadow direction.

Go Layer -> Layer Style -> Global Light

Enjoy results! And good luck with your projects!
