

# Thank You for purchasing “Feather Flags MockUp”

You can replace the flag's graphic by Double Clicking on the >>Double Click To Edit<< layer.

Replace the Graphic and/or change the colour and the text. Then hit “save” and the Smart object on the Flag's MockUp will be automatically updated with your graphic.

Any other questions?

If you feel like there's something unexplained please contact me through the Contact Form on my profile page. I am always glad to help and answer all your questions.

Oh! One more thing:

-for the “Your company rocks!” title I used “Lato” free font, which you can download here:
