# Back to School Flyer

**SOFTWARES USED**

**ADOBE ILLUSTRATOR CS4**

**HOW TO EDIT**

1. Open the EPS file, all vectors are freely editable in Adobe Illustrator.

2. (i)  Select the "Layer" window in Illustrator and unlock any locked layers to edit the image. (ii) If you come across grouped objects that you want to modify further, Right click on the object and select the "Ungroup" option to edit the objects.

(i)                                    (ii)

**FREE FONT USED**

Boogaloo    -          https://fonts.google.com/specimen/Boogaloo
