

Thank you for purchase!

This is general instruction. For better experience check this demonstration video:

https://youtu.be/AsY7GlXw_q8

Editing the Smart-Object:

1. In the Layers panel right click on the Smart-Object Layer (marked as Blue) you want to edit and press 'Edit Contents';
2. A new file will open, paste your design here;
3. After that Save it and close;
4. The changes will be made automatically to your main psd file.
