First of all, I want to thank you for purchasing these Photoshop Actions.

Instructions

Double click the .atn file; Ps automatically adds the action to its library.

Alternative Method

1. Extract the .atn file from the zip in any directory.
2. Open Photoshop. In PS, Go to windows and then click actions.
3. Choose Load Actions from the Actions palette menu. (You will see an arrow pointing right in the top right hand corner in Actions palette menu, click this then click “Load Actions”).
4. Select the action set file from the directory you saved it, And Click load.
5. Open an image. Choose any actions and click-> play button.
