Thanks for your purchase!
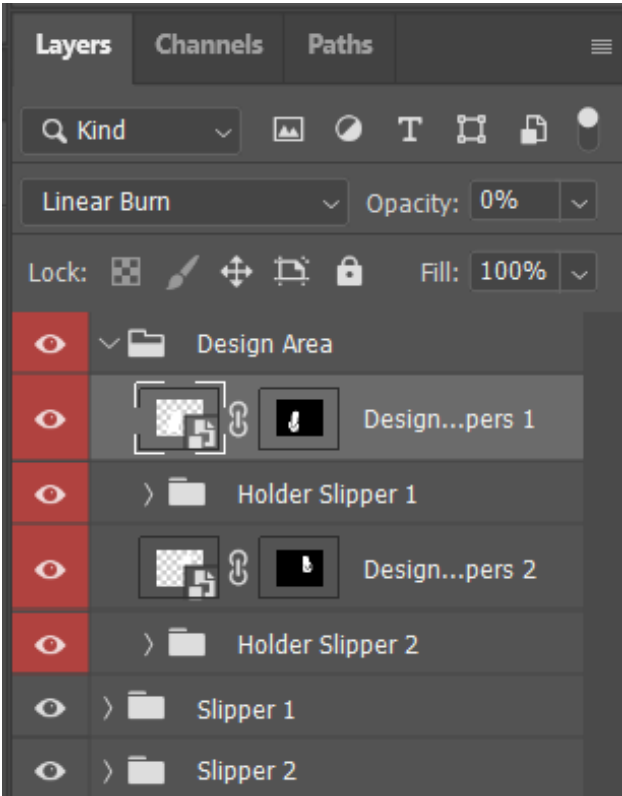

Product Name   : Slipper Mockup

How to use this mockup

Step 1 :

Double-click on layer "Design Area" (marked with Red color), it will open new editing tab in your document.

Step 2 :

Paste/Drag your design inside that tab, save then close the tab. Enjoy the result.

Thank-you

Setting the light & shadow

You can change the thickness of the light & shadow by add the opacity/fill of it's layer, click the light/shadow layer that you want to change the thickness and then reduce/add the opacity level by drag the line or put the number inside the column.

Change Background Color

You can change the background color by double click the "background color's layer thumbnail" and then change it by any color that you want.

Thank-you
