

Hello! I'm happy to introduce my new text effect "Watercolor unicorn".

Vector format:

- .AI - The file can be edited in Adobe Illustrator CC2014 and higher
- .EPS - The file can be edited in Adobe Illustrator CC2014 and higher

Areas of use: From your personal projects to the orders of your clients.

Just write your text and the effect will be applied!

You can change the settings yourself in the Appearance panel.

What you got:

- 1 Vector "Watercolor unicorn" files (EPS+AI) format (so easy to customize colors, resize and rotate them, then apply easy to any size area.)

Free commercial fonts used in text effect.

- Milkshake

You can take them from the site <https://www.fontsquirrel.com/>

Read the Manual\_vector\_text\_effect.pdf and Manual\_vector\_effect\_to\_logo.pdf to learn how to use text effect.

Hope you like it!

Best regards, Alexander Gusev
