

How to Install Photoshop Actions

Installing Photoshop Actions is quick and easy, and best of yet, once you install an action, it will stay in Photoshop.

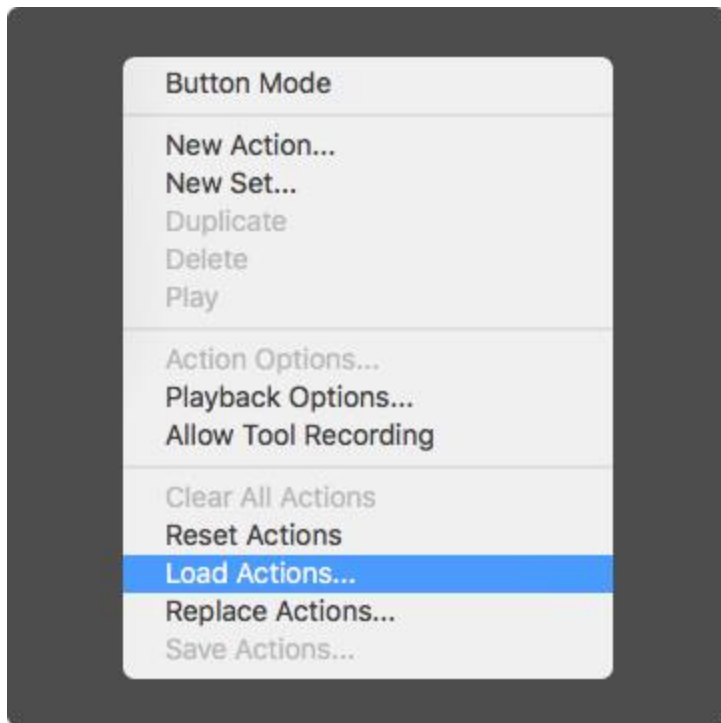

01 – Open the Window Menu in Photoshop. Choose Actions from the menu.

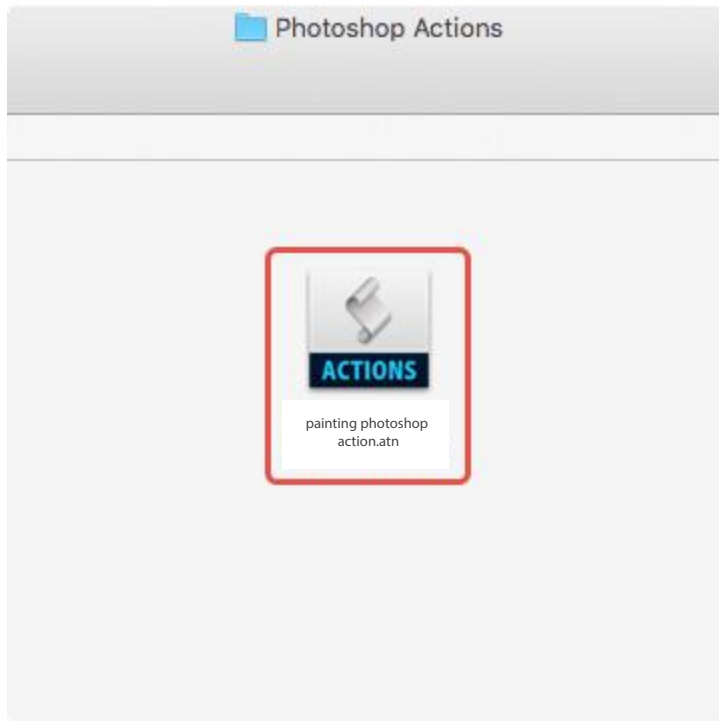

02 – Click the Menu Icon.

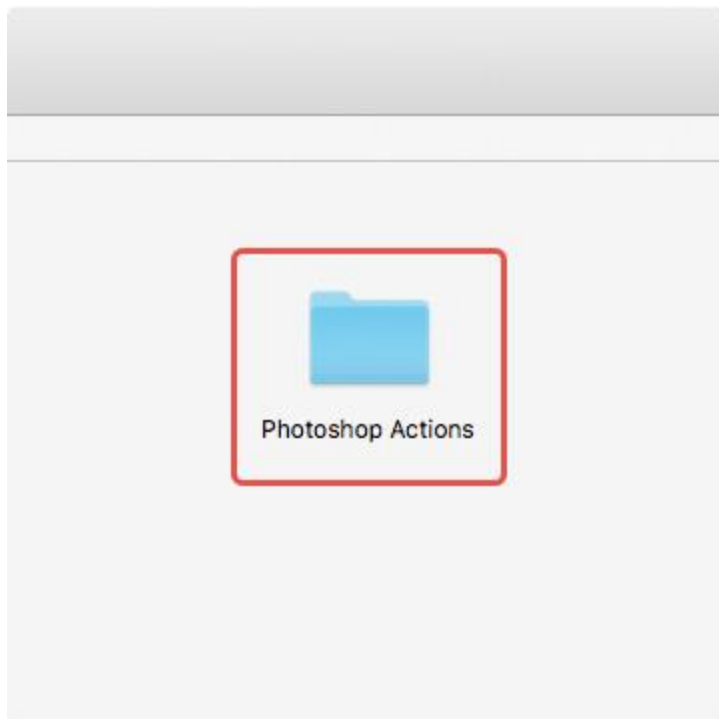

03 – Scroll Down to Load Actions

04 – Open the Photoshop Actions Folder

05 – Double-click the .ATN file.

06 – Click on an Action, Press the Play Button. Enjoy!
